PRELIMINARY AMENDMENT

Sir:

Prior to calculation of the filing fee and examination, please
amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

5. (amended) A method as claimed in claim 1, characterized in
that a filler is added to the synthetic resin before the curable
synthetic resin is dispensed.

9. (amended) A core (1,11) as claimed in claim 6, characterized
in the core (1,11) comprises a second gap (12), and in that the

first (2) and the second gap (12) enclose an angle between 5 and 355° with one another.

REMARKS

The foregoing amendments to the claims were made solely to avoid filing the claims in the multiple dependent form so as to avoid the additional filing fee.

The claims were not amended in order to address issues of patentability and Applicants respectfully reserve all rights they may have under the Doctrine of Equivalents. Applicants furthermore reserve their right to reintroduce subject matter deleted herein at a later time during the prosecution of this application or continuing applications.

Respectfully submitted,
